

YASHRAJ YADAV

Web Developer & UI/UX Designer

@ gloztik@gmail.com

Alwar, Rajasthan

Profile Summary

Hi! I'm Yashraj, a dynamic and results-driven Web & App Developer with a keen eye for design aesthetics. With +4 years of experience in the ever-evolving tech landscape, I have successfully delivered innovative and user-centric solutions across diverse industries.

Education

Aditya Coaching (Academy of Alwar), (High School)

2017 – 2019

- I completed my high school with distinction and scored an impressive 85%, a testament to my commitment to academic excellence

Work Experience

As a Graphic Designer, Video Editor, Streamer | KP Campus

2017 - 2019

- As a Graphic Designer, I blend creativity with technical expertise to craft visually stunning digital experiences that captivate and engage audiences.
- From conceptualization to execution, I transform ideas into compelling designs, ensuring a seamless fusion of aesthetics and functionality

As a Freelancer Web Developer and Designer & Graphic Designer | @ Home

2021 – Present

- As a freelance Web Developer & Designer, I passionately craft digital experiences that seamlessly blend cutting-edge technology with captivating design, transforming ideas into visually stunning and functionally robust online realities.

Senior Web Developer & Designer | ShivShambu Diamonds, 5th Ave, NY, USA

2022 - 2023 (April)

(Remote Contract Work)

- Recreate some of the website element for enhanced aesthetics and functionality.
